

FORM A

General Health Facility Information

Form A records where you are, who runs the facility, who is supervising and which staff you met.

Fill it at the facility, and check the summary before you submit.

HOW TO USE THIS GUIDE

One question to a page, question 1 through to question 11: the screen as it looks on your phone, then what to do with it. You tell the form how many supervisors and how many staff you met, and it opens that many cards. Every question must be answered before the form will submit to the ICF-SL server.

WHAT THIS GUIDE COVERS

All eleven questions, in the order they appear on the phone.

1 Questions 1 to 4, where you are

2 Questions 5 to 9, the facility and its In-Charge

3 Question 10, and every field on a supervisor card

4 Question 11, and every field on a staff card

5 The summary, then submit

Every question must be answered before the form will submit.
